AN EXTRAORDINARY CASE, which conclusively proves that "Truth is stranger than Fiction." CURE OF Rheumatism, Bronchitis and Dyspepsia

REV. DR. LANDIS, A CLERGYMAN New Jersey, of distinguished attainments and exulted se Bioset, New Jersey, July 13, 1846
Da. A. H. Christie-Dear Sir: You wish to know of me what has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACE. My reply is as follows:

For about twenty years I had been suffering from Dyspoperation. of THE GALVANIC BELT AND NECKLACE. My reply is as follows:

For about twenty years I had been suffering from Dyspesia. Every year the symptoms became worse, nor sould is lain permanent relief from any course of medical treatment whatever. About fauriers years since, in consequence of frequent exposure to the weather, in the discharge of my pastoral duties, I became subject to a severe Chronic Rheumatism, which for year after year, caused me indescribable anguish. Farther: in the winer of '45 and '46, in consequence of preaching a great deal in my own and varieus other churches in this region, I was attacked by the Bronch, tis, which soon became so severe as to require an immediate suspension of my pastoral labour My nervous system were seastheroughly prestrated, and as my Bronchitis became worse, as also did my Dyspepsia and Rheumatic affection—thus evincing that these disorders were connected with each ether 'Scough the medium of the Nervous system. In the whole that macquenis there seemed to be no remedial agent where could reach and recuperate my Nervous System; every hing that I had tried for this purpose had completely failed. At last I was led by my firm to examine your inventions, and (though with no very sanguine hopes of their efficiency,) I determined to try the effect of the application of the CALVANIC BELT AND NECKLACE, with the MAGNETIC FLUID. This was in June, 1845. FLUID. This was in June, 1848. To MY GREAT ASTONISMS MENT, IN TWO DAYS MY DESPERSIA HAD GONE; IN BIGHT DAYS I WAS EMABLED TO RESUME MY PASTORAL LABORS; BOX

HAVE I SINCE CONSTITUTE ASSISTED SERVICE ON A CACCURY OF WHE BRONCHITIS; AND MY RISPUMATIC APPRICTION HAR ENTIRED TO TROUBLE ME. Such is the wonderful and happy results of the experiment.

Theye recommended the BELT and FLUID to many whe have been likewise suffering from Neuralgic affection. They have tried them, WITH HAPPY RESULTS, I BELIEVE, IS NYMBER OF THE STATE i am, dear sir, very respectfully yours, ROBERT W. LANDIS

Tic Doloreux and Neuralgia. These dreadful and agonizing complaints are immen-nely relieved by the application of the Galvanic Balty, vicinace and Figure.
